## JULY/AUGUST 2019

### The Pastor's Perspective

Dear Ones in Christ,

Summer is here. Time for slowing down, leaving work a little early, catching up on that project that you couldn't do this winter, stopping by Clyde's (or West Pier) for a burger and fries. Or maybe in the summer you enjoy visiting the Farmer's Market on Portage, attending concerts in the park on Wednesday nights, Soo theater productions or camping with the family. There is so much to do and a short window to do it all in. I hope your busy summer will include coming to worship and staying connected with your faith family. (*check out two activities in the parks inside*).

We are living in tumultuous times. In our personal lives all of us know the effects of recent difficult diagnosis' or the death of a loved one. In addition, we are living with the upheaval of our United Methodist Church, our nation, and our world. It is natural for us at times like these to feel powerless, overwhelmed, confused, and/or angry. These are exactly the times we need to be strongly connected to God. If John Wesley was here he would ask us, "How is it with your soul?"

Our connection with God comes through practice. Just as an athlete sets aside time to perfect skills, so we set aside time for our relationship with God. Christians refer to these practices as spiritual disciplines. Since the Bible doesn't specifically use the term "spiritual disciplines," we can't point to an activity or practice and say, "God says this is a spiritual discipline." To identify spiritual disciplines we look at what Jesus said and did. We follow the examples of our ancestors of the faith. We listen to the Holy Spirit. These provide insight to help us determine which of the spiritual disciplines might draw us closer to God.

In addition to the Bible, I will be using *Celebration of Discipline: The Path to Spiritual Growth* (by Richard J. Foster), and *Praying in the Wesleyan Spirit* (by Paul Chilcote) as primary books. As we explore our spiritual depths over the course of the summer, I hope there will be a couple disciplines that you discover again or learn anew that will deepen your walk with God.

## **The Pastor's Perspective continued:**

The prayer below was written by Paul Chilcote in his book (note above). He has taken John Wesley's sermon "Christian Conscience" based on 2 Corinthians 1:12 and made it into the prayer below (page 42 in the book). This is a good place for us to begin our intentional spiritual exploration.

### ***Prayer: O Eternal Light***

*I want to walk as a child of the light and to be filled with joy.*

*I want a principle at the center of my being that not only represents who I am but is a guiding force that both accuses and excuses, disapproves and approves, condemns and acquits every thought, word, and deed from the perspective of your love.*

*I need a conscience that helps me to perceive what is right and wrong, that helps me know how to live in loving relationships with other people.*

*Grant to me, O Lord, a right understanding of your Word, a true understanding of myself, a consistency of heart and life, an inward perception that I walk in your ways and follow in your paths through faith in Jesus Christ.*

*Help me to cultivate a simplicity of spirit in my life—the ability to keep my eye firmly fixed upon Jesus in all things.*

*Nurture within me a godly sincerity, a daily reliance upon your strength, wisdom, and love, so that all of my conversations might be compelling and winsome and pure.*

*Witness to your love daily in my life through the power of your Spirit, so that I might rejoice in you always. May my joy—my happiness—always lead me to rejoice in obedience to your loving will, to rejoice in loving you, to rejoice in keeping your commandments.*

*May my sense of blessedness spring from the assurance that you love me and have restored abundance of my life through Jesus Christ. Amen.*

With you on the journey, *Pastor Vickie*

## Michigan Annual Conference 2019

Thank you for the opportunity to represent Central United Methodist Church at Annual Conference this year. Our conference is blessed to have Bishop Beard to lead us into the coming years. The theme of Conference was **Bold and Effective Leaders: Wisdom Heart Courage**. Nothing in life is without change. Change is, and always has been, a part of the Methodist church throughout the years. We have a great opportunity to help change the church for the future. "Great opportunities are born out of great moments." Herb Brooks,

There are many issues that will be discussed in the coming years. Conference focused on being better leaders to handle the issues of the church and life. Everyone can be a leader. Leaders must collaborate, we must all work together. The first thing to be an effective leader is to understand that we all see things from a different perspective. Our perspectives are formed by our race, life experiences, environment, gender and family, which causes our views to be biased. So we must work to understand everyone's point of view. Open minds, open hearts and open doors. We may not always agree, but we need to respect and understand a persons point of view and have the wisdom to listen to those that do not have the loudest voice or most regularly noticed.

Leaders of heart, let all that you do be done in love. Have sympathy and love for one another with a tender heart. To have a heart is to know joy, even when it is difficult, a joy that allows us to be astonished by beauty over and over again. To have a heart is to be gracious.

We all need courage to step out of our comfort zone. Going to church, sitting in our pew is our comfort zone. We need to reach out to people to make disciples of people and help the less fortunate. Jesus gave us the example time and time again. Do we have the courage to be like Jesus? John 4 : 7-15 tells us the story of Jesus going to the Samaritan woman. Jews did not talk to Samaritans, but Jesus offered her eternal life.

Bold and effective leadership is:

- Collaborate
- Open your mind and go out your doors
- Understand your own privilege and bias
- Respect others journeys
- Act in abundance
- Give generously
- Evangelize the Good News.

## CENTRAL CHILD CARE CENTER

We have had a busy spring here at the Center! We would like to thank the Endowment Committee for granting our request for pea gravel for around our play structure on the playground. We also were able to get sand for our sandbox on the playground from Northern Sand and Gravel at their "Free Play Sand" event in May. Thank you to the Billings family, along with Janet Rogers and my daughter Elizabeth, for their help with hauling and spreading out the sand. Thank you to Tom Brown, our center custodian, Tim Roo, Joy Lefebre and our staff for their work in spreading out the pea gravel – it was a bigger job than I thought!

We had a fundraising car wash for the Center on Saturday, June 1st. It was held at the Sears store in Sault Ste. Marie (by Meijer). We ended up with beautiful weather and it was very successful! Thank you to Joel Amo for organizing this fundraiser, to CCCC board members Linda Beaumont and Janet Rogers, for their help and encouragement, and to the businesses, families and staff who donated their time and supplies to help us with this event! Look for more fundraising opportunities coming soon!

We had our Preschool Graduation Ceremony on Friday, June 7th. Six of our preschool children were able to "cross the bridge" to Kindergarten during the ceremony. We would like to thank everyone who attended and helped out with the ceremony, especially our preschool teacher, Miss Michelle. It was a very special day for our graduates!

Thank you to everyone for keeping the children of Central Child Care Center, the staff and myself in your thoughts and prayers –it is greatly appreciated!

## A SPECIAL VISIT TO THE KATMAI BAY

Mr. Bob Noble spoke with me some weeks back saying that he had an idea that he wanted to present something to the crew - to let them know they are appreciated! Working with the Commanding Officer of the KATMAI BAY (Lieutenant Steele Johnson), we were able to work that out.

Escorted by Ms. Jeanne Tubman, he arrived on the 4th of June, just before lunch. The crew was all ears and gave an enthusiastic reception to both, as Mr. Noble spoke of his experiences in the USCG aboard the Coast Guard manned US Navy Landing Ship Tank (LST) 207 in the Pacific theater during WWII, and Ms. Tubman discussed her involvement with the Coast Guard as an official USCG Artist.

Mr. Noble spoke to the crew before lunch and was presented a KATMAI BAY ball cap, designating him as an honorary crew member. The ship's cook served a great lunch and topped it all off with a homemade birthday cake prepared in honor of Mr. Noble's 94th birthday just two days prior. The crew joined in a rousing verse of happy birthday and enjoyed the delicious desert immensely.

After lunch Mr. Noble shared memories and memorabilia of his USCG and Great Lakes Freighter service that fascinated the crew for hours. At the end of the reception, Mr. Noble presented each member of the crew with a copy of Ms. Tubman's fine art work titled: *Frozen Escort*, which depicts the KATMAI BAY assisting a Great Lakes Freighter through the ice. He made sure everyone knew he appreciated their service by this action, a firm handshake and a heartfelt thank you. In turn, the Captain honored Mr. Noble and Ms. Tubman with KATMAI BAY challenge coins in recognition for their service to our ship and country. Speaking with Mr. Noble later on he mentioned that it was the nicest thing that anyone had ever done for him - I know that his visit was the nicest thing anyone had ever done for us.

Submitted by CWO Brian Hall, US Coast Guard

(Editor's Note: Immediately upon completing high school and turning 18 years of age, Bob Noble was drafted into the Coast Guard for 3 years. He served in the Pacific area during World War II, and he and his ship had nine island landings in this hostile area.

Brian Hall, Chief Engineer of the Katmai Bay, has been attending Central UMC since he was deployed to Sault Ste. Marie from San Diego, California in October 2018. His home state is North Dakota. We extend a belated welcome to him.

Jeanne Tubman is a local artist well known for her depiction of Coast Guard vessels.)

**CENTRAL'S CHANCEL AND BELL CHOIRS** are on a well deserved summer break. We thank them for adding so much to our worship and for their faithfulness Sunday after Sunday. During the June 9th worship service all of our musicians were recognized for all they do for our church. We add thanks to Pat Deatricks, who plays the organ, and to Cathy Wilkinson who not only directs the Chancel and the Bell Choirs, but often does double duty at the piano. Kara Huhtala often plays on both the organ and the piano too, and she is also in charge of the music at Algonquin UMW Church. Our worship services are so enriched with these talented musicians.

*Shout for joy to the Lord, all the earth, burst into jubilant song with music;  
Make music to the Lord with the harp, with the harp and the sound of singing,  
With trumpets and the blast of the lamb's horns—  
Shout for joy before the Lord, our King. Psalm 98:4*

### RECIPE ROUNDUP CORNER

*(We know we have many wonderful cooks in Algonquin and Central Churches. We invite the sharing of your favorite recipes. Just write them out, include your name, and turn them into the box marked for "The Flame" outside of our secretary's office, or email them to Barb Larson at [blarson1517@charter.net](mailto:blarson1517@charter.net) It can be desserts, entrees, beverages, appetizers, etc.)*

### STRAWBERRY JELLY ROLL

Using an electric mixer, beat 3 large eggs for 5 minutes or until light and fluffy  
Gradually beat in 1 cup sugar, small amount at a time  
Add, all at once: 1 teaspoon vanilla and 1/3 cup water, beating on low speed  
Sift together: 1 cup flour, 1 teaspoon baking powder and 1/4 teaspoon salt  
Add dry ingredients to egg mixture and beat only until smooth

Prepare jelly roll pan by greasing the bottom with shortening, lining with aluminum foil and also greasing the foil.

Pour the mixture over the greased foil. Bake 12-15 minutes in 375 degree oven.

Loosen the edges and immediately turn upside down on a towel sprinkled with powdered sugar. Quickly, and very carefully, pull the foil off. Roll up while still warm, starting with the short side, and roll up with the towel still inside so it doesn't stick together. Let it stay wrapped in the towel for an hour.

Unroll and spread cake with 8 oz. of Cool Whip. Sprinkle with 2 cups of sliced strawberries.\* Roll cake up, shorter side 1<sup>st</sup>, (without the towel!) and refrigerate until serving time. Cut into 8 slices. \*Optional: Could substitute strawberries with fresh blueberries.

Submitted by Evelyn Bush

*(This is a nice and light summertime treat. Evelyn notes that this recipe is from her well-used Betty Crocker cook book, which she received as a bridal shower gift from her sister, Arla McDowell, over 59 ½ years ago. Arla saved up Betty Crocker coupons to make the purchase for this gift. Remember those days??)*
